PROBABLE CAUSE STATEMENT

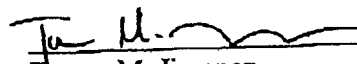

I declare under the penalty of perjury that the following statement is true and correct:

On August 2, 2008, at approximately 12:15 p.m., Border Patrol Agent K. Ruffner was performing line watch duties near Otay Mesa, California in the Chula Vista Border Patrol area of responsibility. Agent Ruffner was working an area known to Border Patrol agents as the "70 Mirror". This area is approximately two miles east of the Otay Mesa, California Port of Entry and one mile north of the United States/Mexico International Border. This area is used extensively by illegal entrants furthering their entry into the United States. Agent Ruffner responded to a seismic intrusion device in that location and upon arrival, spotted two individuals running southwest. Agent Ruffner responded to that area and after an extensive search found two individuals hiding behind some small brush. Agent Ruffner identified himself as U.S. Border Patrol Agent and questioned each of the individuals as to their citizenship. The two individuals, including one later identified as the defendant, **Jose Armando GONZALEZ-Santana**, admitted to being citizens and nationals of Mexico without any immigration documents that would allow them to enter into, or remain in the United States legally. At approximately 12:30 pm, Agent Ruffner placed the two individuals under arrest and transported to the Chula Vista Station for processing.

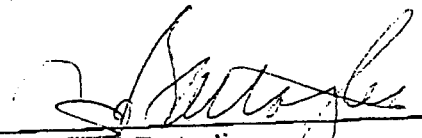

Routine record checks of the defendant revealed a criminal and immigration history. The defendant's record was determined by a comparison of his criminal record and the defendant's current fingerprint card. Official immigration records of the Department of Homeland Security revealed the defendant was previously deported to Mexico on July 28, 2008 through San Ysidro, California. These same records show that the defendant has not applied for permission from the Attorney General of the United States or his designated successor, the Secretary of the Department of Homeland Security, to return to the United States after being removed.

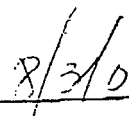

The defendant was advised of his Miranda rights. The defendant stated that he understood his rights and was willing to answer questions without an attorney present. The defendant admitted that he is a citizen and national of Mexico illegally present in the United States.

Executed on August 3, 2008 at 9:30 am.

 Tomas M. Jimenez
 Senior Patrol Agent

On the basis of the facts presented in the probable cause statement consisting of 2 page(s), I find probable cause to believe that the defendant named in this probable cause statement committed the offense on August 2, 2008, in violation of Title 8, United States Code, Section 1326.
